3. Telephoned Mr. Hans Nathan that under P.L. 253 the Director could fire employees at his discretion, that the Board set up was purely advisory, and that the employee really had no recourse from the decision. Suggested that all they could do would be to write a letter to the Director, stating their innocence and requesting a hearing, and adding that there was nothing a lawyer could do to help them. Mr. Nathan replied that he judged such was the case from a reading of the law and that he would tell the "couple" of people who had contacted him so. He added that these people were "flabbergasted" at receipt of the letters, and that he thought the morale [REDACTED] had been adversely affected.
